Customer Reviews

This is a school textbook. It was required in class, not a book that you would read just for fun.

Very interesting book. My son needed for school but I decided to read it. I am happy that I did. Open my mind to some things.

Good book required by the school. Received on a timely manner.

It's super repetitive. Every chapter is almost the same. It's very anti-constructive and not engaging which doesn't improve the already boring atmosphere of a religion class.

Very happy with this item. Just as I expected.

Arrived in very good condition.

It's good
