Customer Reviews

It is a great guide for the pricing of gaming cards. I collect Yu-Gi-Oh cards and just used it for that so everything I will say only pertains to those cards. They have a very extensive list of cards, but I found a lot of cards are not listed. The main one's I can think of off hand are some starter decks and premium pack cards. A lot of promos are also missing. I was disappointed at this aspect of the guide. It's great for the most part, but don't be surprised if some of the cards are not listed.

COVERS ALOT OF NON SPORTS CARDS FOR EVERYTHING I WAS REALLY SUPRISED AND EASY TO USE!!! VERY HAPPY WITH IT!

Just as expected!

He was very excited to see this item and I was happy with the price I paid for it!! Thanks
