# Collector's Guide To Vintage Televisions: Identification & Values

## Synopsis

Featuring over 200 full-colour photos of both b/w and colour television sets, this guide identifies and estimates the values of post-war televisions, primarily those manufactured from 1945 to 1960. This book references over 1,400 vintage television sets. Included with each listing is information about the size of the screen, year of manufacture, cabinet composition, and current value.

Product Dimensions: 8.4 x 5.4 x 0.4 inches

Shipping Weight: 11.2 ounces

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (6 customer reviews)

Best Sellers Rank: #2,137,982 in Books (See Top 100 in Books) #68 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Radios & Televisions](#) #2236 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Antiques Care & Reference > Reference](#) #4692 in [Books > Reference > Encyclopedias & Subject Guides > Antiques & Collectibles](#)

## Customer Reviews

Beautiful little paperback with 200 superior, very sharp full color pictures. Sets are grouped by manufacturer. There are brief sections covering cautions, definitions and warnings. Current values of each model appears, along with its description, model number and year of manufacture. The products of nearly 120 manufacturers are included. Anyone collecting vintage TVs or those interested in nostalgia items will enjoy this book.

Vintage TV's are a great pop-culture item - and they can be made to work too! This book will help you see what's out there. The prices on these sets will vary greatly due to the current economic situation, trends with collectors, and the part of the country your buying it in, so don't rely on the written values. It's a small quality book!

Well written with beautiful pictures, this guide is a classic for TV collectors and others interested in

vintage TV. Although the prices of many of these sets has risen considerably since this was published, some of the newer transistor sets are about the same, while many of the older B/W and color sets are now about 2X to 5X the prices listed.
