The fifth season of Game of Thrones is officially behind us, and as we face the long dark night before the show comes back on the air, it behooves us to look back and consider the things that made us go â œhuh,â • â œno,â • and â œohmigod!â • Like the seasons before it, Season 5 generated plenty of controversy, but also featured moments that made fans jump out of their seats in excitement. It depressed and inspired in about equal measure, and was certainly a roller coaster of a year. There were shocking deaths, massive plot twists and plenty of moments where the series veered away from the books and started blazing itâ™s own path that might not be in the complete vision of George R.R. Martin. Being a Game of Thrones fan, these Facts, Jokes, Moments puts a Smile, WTF!, Wow!! on our face wherever we saw these. These are little things that make Game of Thrones great and one of its kind. If you are a fan of the show, then you will love to read this book. download this book for a limited time discount of only \$0.99!

Nothing new. Everything in here I have seen before somewhere else. I guess it would be a good read if you were brand new to the GOT world, but not for someone who even half way follows the show and info that can be found online.

A nice quick GoT pick me up, bringing back some good memories from the older seasons.

Some jokes funnier than others, but well put together I just wished it was longer Thanks for adding the links to some of the scenes
