Customer Reviews

This book is the BEST book I have ever read on spiritual warfare (SW). That is, it is the best book I've read that covers the "practicalities" of the process (and processes) of SW. That said, the primary function of SW is to KNOW your enemy (or as the old saying goes, "information is POWER"). And this book provides you A LOT of information and/or many of the facets of the powerful being (and his dominion) known as Satan (or the Devil). Warren Wiersbe does not write like other authors on the topic of SW - Thus, he doesn't regurgitate the same information over-and-over again. Wiersbe gets Straight-to-the-point!!, and doesn't fool around with extra-biblical conjecture or fantasy, as many other "Christian" (so-called) writers regularly engage in. So I would HIGHLY recommend this book. It is NOT the Holy Bible New King James Version (NKJV), but it is indeed a very nice supplement to the concepts about SW, Satan, and his evil army. The only difficult part is DOING/Following the advice given from/in the book (as it is always hard to put to "practice" the things of the spirit/spiritual - that is why you cannot do them unless [or until] you pray and call for help from the Holy Spirit [God] Himself - take it for what it's worth). Lastly, I must warn anyone who does begin to read this book, that you WILL begin to experience resistance and attacks, from the one in which this book is written. So I am almost certain you will find out, first hand, who Satan is, as he will send ALL types of distractions, trials, etc., in order to hinder and prohibit your completely understanding what is written. So WATCH OUT!
