Miller's: Goss & Crested Wares: A Collector's Guide (Miller's Collector's Guides)

Synopsis

"Miller's Collectors's Guides is a series of books aimed at providing an essential introduction to varied and popular subjects for the budding collector. Reflecting the growing trend in the antiques market towards "collectibles" (small, often affordable items) these practical guides are filled with ideas on how to form a collection, what to specialize in, and how to identify objects. Often showing photographed items, these are guides no collector can afford to be without.

Customer Reviews

Overall look at crested china. I was considering starting a collection, but the books I have bought have convinced me that the scope is beyond me. Also, such a collection would be much easier to compile in the UK. Guess I will have to settle for the pictures. Nice introduction to the field. Beautiful book and pictures. Covers all the manufacturers.
