Arts And Crafts Stained Glass Pattern Book (Dover Stained Glass Instruction)

Synopsis

Inspired by the elegant simplicity of the Arts and Crafts movement, this compilation of original patterns is the handiwork of an expert in stained glass design. Artists and artisans will find a wealth of design options among its 73 handsome motifs. Here is a garden of florals, with sprays of blossoms and single buds, running patterns of flowering vines, and other images drawn from the natural world, many reduced in the sinuous curved lines that foreshadow the development of Art Nouveau. Framed by oval, rectangular, square, round, and half-round borders, these royalty-free designs are easily adapted for use in a wide variety of craft projects.

Customer Reviews

This little book will help me with designs for my artwork.

I recently started taking a stained glass course and bought this book. This book is not for someone just starting out. Some of the designs have over 100 pieces and the book doesn't tell you that. This book is for someone who has a lot of time and experience.

patterns will be easy enough for me as beginner and will challenge expert also
