in Â Kindle Store > Kindle Short Reads > Two hours or more (65-100 pages) > Computers & Technology

Customer Reviews

This was well written and as they say 'short but sweet'. I greatly appreciate the simplicity and clarity of this tutorial book which made few fuzzy areas in relation to Views clear for me. I sincerely hope

IFS will continue writing these excellent to the point tutorials.

The book stops working after a few pages, sorely disappointed!!!!

Short and concise. Waiting for Drupal 7 Panels
