Customer Reviews

Good quality offering envelopes. These will save our church a lot on the expense of purchasing envelopes. Only thing in left out in the product description were the dimensions of the envelop (these envelopes are not bill or check size)

These envelopes are worthless. I have to say that that is my BIGGEST ISSUE with . SO LITTLE INFORMATION ON PRODUCTS. I purchase a lot from . These were tithing envelopes. These are so small that our elderly would not be able to read them. you would have to fold the moneys or checks multiple times to get it in the envelope. Then the folks counting the moneys have to have paper weights to hold the moneys/checks flat to count it because it is so folded up. Would cost more to return these than just file-13. So Disappointed.

They are small envelopes, I was expecting standard size envelopes that could fit at least an unfolded dollar or check, they are smaller than that and don't think they're as wide as those things either. Check dimensions carefully before ordering.

Nice product, but too small for more than a folded check or a few dollar bills. Not for people who give strictly in cash with a lot of smaller denomination bills.

Terrible that the tiny size was not emphasized. Hate them!!! I didn't see a way to return these either

.

I should have read the dimensions. The envelopes were too small to be useful for my congregation at a retirement home, since it was hard to fold a check or cash small enough to put in the envelope.

Excellent service Highly recommended, it met all my expectations thank you very very much. Will purchase again allegedly! Ye no worries

Thank you. Good size, quality, good Bible verse. Fits folded checks and folded money. Just what we needed. We are pleased.
