Rich For Good: The How And Why Of Wealth God's Way

Synopsis

By the time author Jamie Jones was in her 30s, she had gone from having to pray for toothpaste to becoming a millionaire. Rich for Good is not only the "how" and the "why" she did it, but how the why makes all the difference. Rich for Good offers a fresh perspective on doing finances God's way. Each chapter focuses on one of 10 tried and true practices derived from a combination of scriptures, thought provoking questions, and real-life situations. These principles shed light on acquiring wealth the right way for the right reasons. In the world of how-to-get-rich books, Jamie's raw and honest approach sets Rich for Good apart as a humorous and insightful read. Her practical and spiritual guidance helps readers acquire the financial freedom that happens when prosperity partners with purpose.
